GRAHAM SHERRY - MPFNL BOARD CHAIR

We are now at the pointy end of another standout season. Our congratulations to the clubs who made finals for the 2025 season. Of the 22 clubs and 3 associate clubs, 24 different clubs made finals this season.

Congratulations to the senior Women's competition premiers - Mornington FNC, Red Hill/Balnarring Thunder and Chelsea FNC. Special acknowledgement to Edithvale-Aspendale FNC, Frankston YCW FNC, Mt Eliza FNC, Chelsea FNC and Pearcedale FNC for their outstanding finals success over multiple teams.

Thankyou to our 2025 league sponsors, for your contribution and continued support to the MPFNL competition:

- MRC
- Guzman & Gomez
- Architectural Cladding Supplies
- Highgrove Bathrooms
- Belgravia Apparel
- Love the Game
- Brehemy Brothers Breweries
- Recognition ID
- Victor Sports

The MPFNL Board would like to thank the administrative staff of AFL South East who support our clubs so well - Charlotte Hammans as the Senior Football Operations Coordinator and Samantha Downie as the Netball Operations and Administration Manager, and Club Development lead Zach Horsley. Additional thanks to our football and netball umpires across the region. Without them we would not have a competition.

Continued thanks to the MPFNL Board Lou Meagher, Stuart Gay, Steve Baker, David Livingston and Jeff Svigos and to Board Secretary Shane McMahon.

To the Club Committees and volunteers who form the backbone of Community Sports and put in the hard yards so that the young and not so young, can actively participate in the sports they love.

We've had a record 4482 registered players this season. 51% women with the growth in registered numbers largely coming from women's football registered players.

The year though, has not been without its challenges. The MPFNL Presidents and the Board have been consciously dealing with the need to look after the collective best interests of all our Clubs and in particular focusing on pathways into senior competitions for our junior netballers and footballers and the importance of creating an environment to accommodate all those who wish to participate in Community Sport whether it be as a gateway to advanced competition, or simply playing with your mates.

We are looking forward to the implementation of some changes which will encourage the development of our U19 competition and to working closely with the junior leagues in coordinating our approach to securing pathways to senior competition and maximum participation in all our competitions.

ROSEBUD FNC V MT ELIZA FNC

FRANKSTON PARK - KINETIC STADIUM - 2:30PM

The stage is set for a blockbuster Division One Grand Final as Rosebud and Mt Eliza go head-to-head in what promises to be a fiery contest at Kinetic Stadium.

Rosebud has been the team to beat from day one, dropping just two games in the home-and-away season - a 12-point loss to Pines in Round 4 and a narrow 3-point defeat to Langwarrin in Round 10. With the Division One Best & Fairest winner and Team of the Year captain, Campbell Hustwaite, steering the ship, the Buds have looked every bit the premiership favourites.

Their finals run only strengthened their case, overcoming a dangerous Frankston YCW outfit by 22 points in the semi final. Star performers Reid Nanscawen, William Hartung, Mitchell White, Callum White, Will Gown and Jake Carosella all showed their class under pressure, highlighting the squad's depth and composure.

Rosebud enters Sunday not only with supreme confidence, but also boasting the best disposal efficiency in the senior competition and the most goals kicked in Division One seniors. The question is: can they hold their nerve when it matters most?

On the other side sits a battle-hardened Mt Eliza. After a 9-9 home-and-away season, the 2024 premiers scraped into finals with many doubting their ability to back it up. But three weeks later, here they are again... on the biggest stage.

Their September campaign has been built on blistering starts. Against Edithvale-Aspendale in the semi final, they piled on a 78-point lead by three-quarter time, while in last week's preliminary final they stunned Frankston YCW with a 50-point half-time buffer. Yet, lapses late in games have nearly cost them - the Stonecats' seven unanswered last-quarter goals last weekend almost flipped the result. Consistency across four quarters will be key if Mt Eliza is to pull off the upset.

With weapons like Thomas Freeman, Jeremy Burton, Fletcher Bayne, William Antonie, Fraser Phillips, Finlay Bayne, Christopher Carey, Jasper O'Neill, Declan Cole and Damian Mascitti, the Redlegs have both firepower and finals experience. Ruckman Christopher Carey looms as a pivotal figure in the battle against Rosebud's engine room.

The last time these sides met was in the final round of the home-and-away season, when Rosebud came away 30-point victors. But grand finals are a different beast.

Rosebud is the polished, dominant side that has ruled 2025. Mt Eliza is the fearless challenger that refuses to go away. One is hunting redemption after years of being on the cusp, the other is desperate to prove lightning can strike twice.

On Sunday, we find out if Rosebud complete their near-perfect season, or if Mt Eliza stun the competition and go back-to-back as premiers?

Congratulations to everyone who has participated in this year's finals series and especially to those who have made it to Grand Finals be it Football or Netball.

Today is the first time in our 96-year history that both our senior teams are playing in the Division 1 Grand Finals. This is testament to our coaching teams & player groups but particularly to our Senior coaches, Danny Ades & Sarah Norton. Since your appointments you have both led our club brilliantly steering us too these games this weekend. I know you will all do the club & community proud today no matter the result.

Congratulations go to our magnificent Captain, Campbell Hustwaite on winning the League Best & Fairest and being named Captain of the Team of the Year. Congratulations also go to Billy Hartung, Will Gown & Mitch White on also being named in the Team of the Year.

Ben Fisher has now won back-to-back Development League Best & Fairest awards and Alex Doherty was Runner up, a great achievement for these two young men.

Our netballers are not to be left behind, our A Grade ladies, Brianna McCrindle winning the League MVP, Chloe Brown was Runner up in the Best & Fairest and these two along with Katie Fone were all in the Team of the Year. We also had Issy Mitsikas place 3rd in the C Grade B&F. Our volunteers are the BEST, I thank you all for your efforts this year in making our club the community that it is.

Our Sponsors, THANK YOU for your continued support of our club year after year. As I have said many times, we can't do what we do without your support. To my fellow committee I thank you for your support and work over the last 12 months this would not be possible without you all

CLUB LEGEND

PRESENTING THE PREMIERSHIP CUP

BRENDAN ROONEY

Brendan Rooney started in the Under 10's at Mt Eliza and worked his way through the junior club, winning premierships in Under 14 and Under 16. His talent was obvious from the early years and he was quickly promoted to the senior side, making his debut as a sixteen-year-old under former Footscray player, Harry Skreja. Brendan also represented the MPFL for the first time at Under 18 level at this time. Wearing the Number 19 guernsey, Roons played mostly as a key forward, where his agility, athleticism and straight kicking were more than a handful for defenders. Roons won the club goal kicking award three times between 1993 and 1996.

A highlight of his time at the Redlegs came in 1983 with Brendan playing a key role in Mt Eliza's first premiership. His individual highlight occurred when Brendan became the first Mt Eliza player to win the E.V. Shade Medal for the League Best and Fairest in 1986. Roons showed his versatility during that season, playing mostly as a mobile ruckman, often winning clearances from his own ruck work and making life extremely difficult for opposition who couldn't keep up with him. He was rewarded with selection in the Legends Team of the first thirty years & played 113 senior games.

Roons has been a fixture at the club ever since and has made a significant contribution off the field in committee roles, and as a loyal supporter and sponsor. The highlights of his off-field contributions have been time spent as Vice President and President where he served with great energy and foresight. Roons was always a strong advocate for setting the club up for a successful future by working within our financial means and he played a big role in ensuring we are on the right path to becoming the powerhouse on the Peninsula that we should be.

Roons is still a loyal fixture today, and has not missed a game for decades cheering his redlegs passionately from the sidelines. Well played Roons and thanks for your continued contributions to making Mt Eliza Football Netball Club the place that we all love.

GRAND FINAL PREVIEW

DIVISION ONE FOOTBALL

RESERVES

MT ELIZA FNC V FRANKSTON YCW FNC
FRANKSTON PARK - KINETIC STADIUM - 12:00PM

The Division One Reserves Grand Final will be a highlight of Sunday's action at Kinetic Stadium, with Mt Eliza and Frankston YCW set to clash from 12:00pm.

Mt Eliza have been the competition's benchmark, finishing on top of the ladder with only two losses across the season. They dominated YCW in both meetings, winning by 50 and 52 points, and secured their grand final spot with a hard-fought five-point semi final win over Rosebud. Their consistency and depth will again make them tough to beat, and with a strong spread of contributors they will be confident of handling the pressure that comes with being favourites.

YCW, however, have proven themselves through September. After a narrow qualifying final loss to Rosebud, they survived a two-point thriller against Red Hill before turning the tables on Rosebud in the preliminary final with a 26-point win. Having beaten both sides that troubled Mt Eliza this year, the Stonecats carry real belief into the decider and have shown they know how to handle tight finishes. They also bring with them a wealth of finals experience, which could be the X-factor against a side that has played just once in the last three weeks.

Key players will shape the contest: for YCW, Michael Chaplin, Jack Matthews, Jack Greenwood and Lochlin Macgregor; for Mt Eliza, Darcy Jones, Jake Mones, Lachlan Enno, Archer Murray and Daniel D'Alberto. With Mt Eliza's dominance up against YCW's finals momentum, this grand final could go either way. Supporters can expect a hard-fought contest, plenty of physical pressure, and a result that may well come down to the final few minutes.

UNDER 19s

MORNINGTON FNC V LANGWARRIN FNC
FRANKSTON PARK - KINETIC STADIUM - 9:30AM

The first game of Grand Final day at Kinetic Stadium will see the Division One Under 19s premiership decided, with Mornington and Langwarrin set to clash from 9:30am.

Mornington have been the standout side all year, dropping just one game in the home and away season - a heavy Round 9 loss to Edithvale-Aspendale. Outside of that, the Bulldogs have been near flawless, defeating Langwarrin twice by margins of 22 and 73 points. With talent across every line, they'll enter this decider full of confidence.

Langwarrin, however, cannot be underestimated. The Kangaroos produced a strong campaign of their own, with just three losses - two of them to Mornington - and showed their firepower with six wins by over 100 points, including a huge 179-point margin. Their mix of scoring power and resilience makes them a dangerous opponent when it matters most.

This game will also feature some of the brightest young talent in the competition. For Langwarrin, Kylan Mitchell, the Division One Under 19 Best and Fairest runner-up, will be pivotal, alongside Jack Carter, Sonny Deas, Jackson Phillips, Jake Findlay and Jhett Moli. For Mornington, watch for James Segrave, James Hilli, Tavaka Fanaua, Bailey Fox and Nathaniel Tihala to make an impact.

With Mornington's consistency and Langwarrin's explosive scoring ability, this grand final is set to deliver a thrilling start to the day.

DIVISION ONE NETBALL

A GRADE

REDHILL V ROSEBUD

JUBILEE PARK, FRANKSTON - A GRADE, 2:15PM

V

The MPFNL netball competition is set for a thrilling A Grade Grand Final, with Red Hill facing Rosebud in what promises to be a high-intensity showdown.

Red Hill booked their place in the decider with a hard-fought three-goal victory over Edithvale-Aspendale in the major Semi Final, showing poise under pressure and the ability to grind out a win when their opponent finished strong. Their attacking end will once again look to the brilliance of sharp shooter Sacha McDonald, whose leadership, accuracy and composure have been instrumental in the Hills' successful season. Rosebud's defensive pairing will have their hands full, needing to restrain McDonald's influence early to prevent the minor Premiers gaining momentum.

On the other side of the court, Rosebud have charged into the Grand Final from fourth position, winning each of their finals clashes, noting an impressive victory over the Eagles last week. Much of their success has come through Grace McRae, who provides a reliable target under the post and thrives in high-pressure contests. Her battle against Red Hill's experienced defenders could be pivotal in the important result.

With Red Hill's consistency across the season and Rosebud's finals momentum, this contest shapes as a classic clash of resilience versus momentum. Expect fierce battles across every third of the court, with the premiership likely to be decided by whichever side can hold its nerve in the final minutes.

COACHES MESSAGE

STEVE MURRAY - A GRADE COACH

What an incredible year it has been for our Red Hill A grade team. To go through the season the way we have has been a remarkable achievement and one that reflects the hard work, resilience and commitment each player has shown.

Every week this group has stepped onto the court with determination, trust in each other and a shared love of this game and the club.

The first final was one of the toughest games we have had all year. It tested us in every way possible but the grit and fight the team showed proved exactly why they have been so consistent this year.

What was pleasing was the team didn't shy away from the challenge, every player dug deep and supported one another and that's what makes this team so special to coach.

What I am most proud of though goes beyond the scoreboard. This is more than a group of players that turn up and play each Saturday. This is a family. The bond they share, the way they celebrate each others successes, they lift each other through tough moments, and enjoy every minute together either on the court or off the court. This connection is why they have had such a great season.

To every player- thank you for giving your all not just for your teammates but your Red Hill community. It is a privilege to coach you and I am so proud of all of you.

COACH & CAPTAINS MESSAGE

SARAH NORTON - A GRADE COACH

What can I say? I am so, so happy with how the team have been performing throughout the finals campaign. I thought we were at our best during the last few rounds of the season but the team have really stepped up to the next level during finals, and I know we still have more to give.

Each and every player on the team is playing their role and giving their all. We are continuing to put the effort in at training to be at our best for Saturday.

We are ready to face Red Hill in the grand final, who we know are a formidable opponent going throughout the season undefeated. But I have confidence in the Buds to give it their all and make it a great game, leaving it all out on court. Go Buds!!

CHLOE BROWN - A GRADE CAPTAIN

We're off to the Big Dance! We're super excited to be playing in this year's Grand Final against a quality side who will push us to bring the best out in each other.

We know Red Hill will be a challenge but that's something we have come to thrive on as a team. Pressure. We have taken on and built each week leaning on each other's strengths to be a stronger unit together.

To our club, committee, netball coordinator, support staff, umpires, family and supporters - thank you. We couldn't have got where we are without your unwavering dedication and support.

Devon Meadows wrote their name into MPFNL history on Saturday, claiming the club's first ever premiership with a thrilling five-point victory over Frankston Bombers at Kinetic Stadium. In front of a crowd of 5,200, the Panthers led all day but were forced to fight until the very last second as the Bombers launched a desperate final quarter surge that had supporters on the edge of their seats. It capped off a day of heart-stopping football, with Seaford winning the Under 19s after a Bombers miss on the siren and the Bombers Reserves snatching a three-point win with a last-minute goal, before the seniors produced another classic.

The pattern was set early as Devon jumped out with fierce intensity, controlling possession and finding targets inside 50, but Frankston refused to allow the game to slip away. James Frawley provided a strong focal point for the Panthers, finishing with three goals, while at the other end Matt Robinson was just as dangerous, booting five majors to keep the Bombers within striking distance. With only a goal separating the sides at three quarter time, the contest was perfectly poised for a dramatic finish. Goals continued to trade hands as the crowd roared louder with each passage, but when the final siren sounded it was Devon still clinging to their narrow advantage, sparking scenes of jubilation.

There were standout performances everywhere. Division Two Best and Fairest and Team of the Year captain Joel Hillis lived up to his reputation with a best-on-ground display, collecting 22 disposals, six marks, four turnovers forced and six tackles in a tireless effort that inspired his teammates. Ruckman Arnold Kirby was also a colossus, amassing 22 disposals, 26 hitouts, 11 clearances, five inside 50s and seven turnovers forced to finish with 155 ranking points. For the Bombers, it was Flynn Wood who stood tallest, dominating with 34 disposals, 22 contested possessions and 163 ranking points in a performance that nearly dragged his side to another famous finals win.

After scraping into finals, few predicted Devon Meadows would rise to the summit, but their resilience and belief carried them through September and into premiership glory. From the opening bounce to the final siren they embraced the contest, and with stars standing tall under immense pressure, they delivered the most significant moment in club history. For the Panthers and their faithful, September 13, 2025 will forever be remembered as the day Devon Meadows became premiers.

Seaford have finally broken through, claiming the Division Two Premiership in thrilling fashion with a single goal victory over Chelsea FNC in the A Grade Grand Final on Saturday at Lloyd Park, Langwarrin.

In a high scoring first quarter, Seaford had the narrow lead heading into the first break. Chelsea then presented well and looked stronger of the two teams in the second quarter, controlling the tempo and holding taking lead by 3 goals at half time. The Gulls defensive pressure and composure in attack had Seaford under pressure, forcing errors and capitalising to edge ahead on the scoreboard.

The Tigers who have been building towards this moment for years, refused to be denied and had a match winning quarter in the third term. Positional changes worked in their favour, and with grit and determination, they clawed their way back into the contest to retain the lead with just a quarter remaining.

The final quarter was a nail-biter, with both sides trading goals and momentum swings keeping the crowd on edge. Chelsea looked like they had the match as they continued to deny Seaford the lead back. In the dying minutes, Seaford's persistence paid off. Cool shooting under pressure saw the Tigers snatch the lead, holding firm as the final whistle sounded to seal a famous one-goal victory.

For Seaford, the win is more than just a Premiership – it is the reward for years of hard work and heartbreak for players and coach Meagan Dell. A long time coming, but worth every moment as the black and gold finally lifted the Division Two cup.
